Inch-Long Nips

Dear Virgin Territory,

I recently viewed one of your 18eighteen videos titled A Lil' Horny. The final girl-on-girl scene features Tally and Vicky. Both girls looked great, but I had particular interest in the girl with the inordinately long nipples. They appear to be a full inch in length!

I have not seen her in recent editions of 18eighteen, or even in Naughty Neighbors. Can I find her somewhere in a back of one of the magazines? Or, perhaps, such exquisite beauty should be revisited in an upcoming issue? As I've said before, your work is legendary.—D.B., Phoenix, Arizona

Dear Virgin Territory,

Thank you for Kylie's lovely bush. I am really loving all the girls you've featured with pubes lately. For me there is nothing more arousing than a tender girl with a lush bush. I especially like it when her bush is so over-

grown that it peeks out from the sides of her underwear, as is the case with Kylie. Her beautiful, long hair goes well with her natural pubes. Thank you, also, for treating us to a quick glimpse of her soles. I love seeing girls' toes

and feet, so the shot on page 33 was very exciting for me. I just wish I could see more of her soles and toes! But I know that's not really your bag. Either way, you've done a great job once again with Kylie and all the other cuties in the Dec. '12 issue FW via email

Full Frontal

Dear Virgin Territory,

My favorite poses in your magazine are the ones in which the model is totally nude down to her bare feet and is shown fully both front

and back. For example, the following are a few: Bonnie in Feb. '12 on page 48 (the best), also page 57 of Meagan without the boots. Aug. '11 page 34 of Sammi and page 82 of Nina. On page 49 Keegan and Allison should face

front. Sept. '11 would've been my favorite except for the socks and extra clothes. Yours is the only mag that does this, and that's the only reason I buy it. I feel these photos are artistic and celebrate the most beautiful artwork in the universe.—G.G., via email

Dear G.G.,

We get quite a few requests for this pose and try to include it as often as we can. Thanks for writing in and letting us know what you like!

Hot Summer

Dear Virgin Territory,

It was good to see Summer again. I always liked her and wondered why I didn't see more of her in your magazine. So it was a very pleasant surprise to see her again, and doing hard-core! I think I like Summer because she seems like she knows how to please a guy. Judging by her pictorial in the Dec. '12 issue that seems to be the case! Well, she pleased my cock, at least! Will this scene be released onto DVD? I would love to see it.—E.B., Washington, D.C.

Dear E.B.,

If you'd like to see Summer's scene you can log on to <u>18eighteen.com</u>. Or you can buy the DVD Newcummers, which is for sale on eboobstore.com.

18eighteen magazine, so long in fact that I considered letting my subscription lapse. After all, how much porn does someone need?

Then I got the Nov. '12 issue, with Sydney and her teeny, tiny top (I'm a sucker for tight abs) and cute smile on the cover. I thumbed through the magazine, and there it is: the reason I love porn, and the reason I love your magazine-multiple views of Sydney's spread-open pussy, multiple views of Emily's puckered asshole and closeup views of Lacey and Megan getting stuffed with cock.

I read a lot of men's magazines, and many of them I can read through in one sitting. They may have one or two interesting layouts, but

most of the sections, and many of the photos, spend far too much time on glamour shots, on not-as-sexy-asthey-think pouts, on fuzzy focus or light tricks. It's hard to tell if the models want to be there, or if they're just there for a paycheck.

18eighteen magazine, on the other hand, knows how to present porn the way I like. Take pretty girls, set them in bright and fun rooms, light them correctly and let them have fun.

When they get naked, they are not afraid to spread their legs, spread their slits and show us what we want to see. And your photographers are not afraid of the cunt, like some photographers in other magazines seem to be. They get right in there, where I

want to be.

Thank you for presenting delightful, young ladies like Sydney and Emily and Lacey and Megan. Thank you for showcasing such awesome talent as Zoey Kush and Amai Liu and Paige Riley and Jessica Lynn. Thank you for showing teenage pussy in all its glory.

I renewed my subscription. As long as you continue to put out such quality issues, I'll keep coming back. After all, can you really have too much good porn?–K.D., Phoenix, Arizona

Dear K.D.,

Sometimes we get a little flak for being too raunchy with our pussy photos, but knowing that guys like you appreciate them reaffirms our goals here.

Emily's Body of Work

Dear Virgin Territory,

Is Emily, on page 43 of the Nov. '12 issue of *18eighteen*, in any DVDs? Your DVDs are sort of pricey, so I do not pay attention to them. But I would definitely buy one or more that Emily was in. Also, if you would let me know if she appeared in any prior issue of *18eighteen* magazine, I would sure like to buy that back issue as well.–R.L.J., via email

Dear R.L.J.,

Emily is in the DVD Creampie Cutie Pies. She has also been in the March '12 and June '12 issues of 18eighteen.

Dom Teens

Dear Virgin Territory,

I just have to say, after reading my first copy of 18eighteen, I feel admiration and respect for these girls. Far Continued on page 76

There's something about Kennedy.

It could be her tanned skin, or her dirty blonde hair. Maybe it's her big smile, or her blue eyes, or her perky boobs. (They certainly help.) Maybe it's the way she doesn't look like any other girl we've ever seen in 18eighteen.
Whatever it is, we like Kennedy. She's a playful, little kitten

Whatever it is, we like Kennedy. She's a playful, little kitten who's always ready for a bedroom romp. This cutie (who also happens to be from Minnesota!) likes to play volleyball, ride horses, fuck big dicks and swallow big loads. We're impressed; the Midwest is really on a roll this month!

That experience, along with another one, has piqued her curiousity for hot group sex!

Now remember, Kennedy is 18. So while three-ways aren't the craziest thing, they're pretty kinky for a girl who has just started to explore her sexuality. "The closest I ever came to a three-way was this time me and a girlfriend both sucked this guy off at the same time. I wanted to stay and have a three-way, but I had to go home for curfew. I would do it again. In fact, I want to do it again. Now I'm all about threeways and four-ways!"

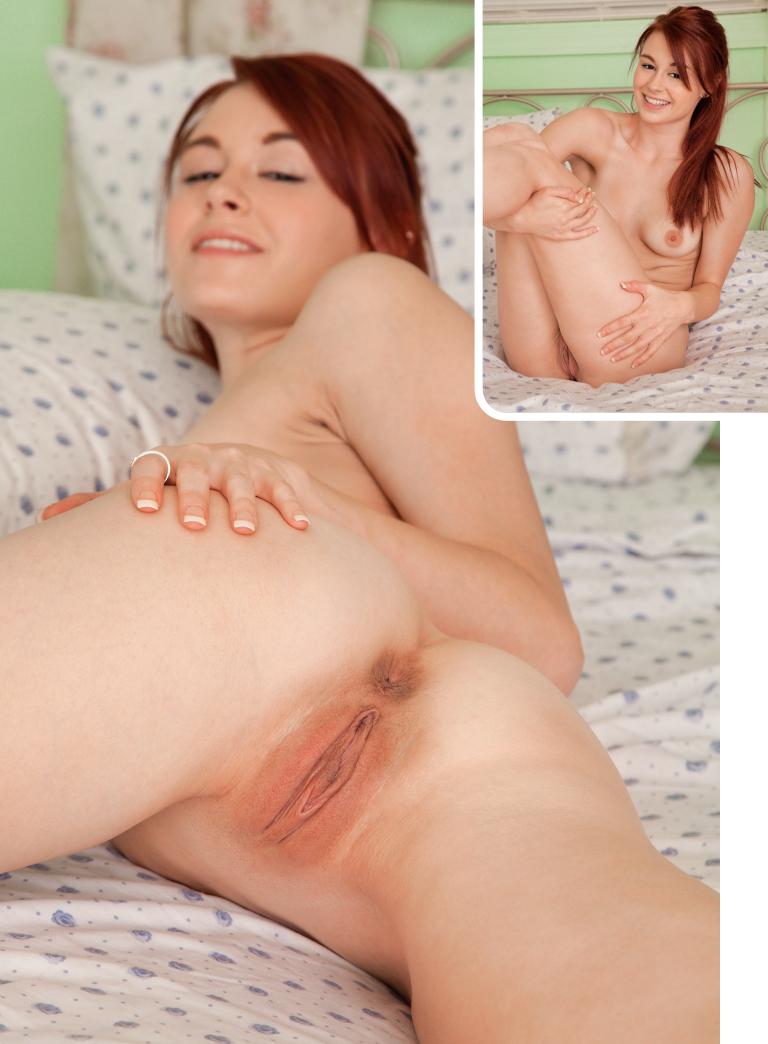

Sage has a very special talent. One that not just any girl can do!

And it's not just being able to land a shot from the free throw line! "I squirt every time I have sex!" Sage told us. This is exciting information, as we don't come across too many girls who can do that around these parts. "It happened pretty soon after I started having sex. The first time I had sex, I fell in love. Not with the guy, with the feeling! And I've been squirting up a storm ever since."

Roger—the small motel was closed down and left to rot. Justin and his friends had been coming up since

they got their driver's licenses. The place was old, overgrown and creepy. It begged to be in a horror movie. All this made it the perfect destination to head for when the leaves turned brown, students were getting a little stir crazy and needed to cut loose.

Drew had been hoping to cut loose, too. When one of Holly's sorority sisters had backed out at the last minute, Holly had offered her a sorority pledge sweater and snuck her into the group with the rest of the girls. Holly knew full well how badly Drew wanted to lose her virginity. Drew had just turned 18 the previous weekend, and while there was no denying the guys all looked at her like she could have been their little sister, what better post-birthday present could there be than to get tapped by a hot upper classman?

Only, Drew had wound up alone, in her own room, listening to the old motel creak and moan, because one of the guys had bailed out at the last second, too. She'd tried to talk to Justin a couple of times, but he was gaga over Debbie, a soph with tits the size of cantaloupes who could fit into size 2 jeans and still had a hot ass. By midnight, just about everyone had hooked up. Drew headed to her room, barely giving Holly a nod on her way out. She didn't want to be left by herself when everyone moved on to what came next.

She'd been listening to the staticy radio, trying to fall asleep, when the noises in the attic grew too loud to ignore. That was when the lights had gone out.

There was no way Drew was sticking around in her creepy, dark room. She lit a candle and headed down the hall, looking for...

She didn't quite know. Holly? If she saw her, she'd sure be grateful, but her friend had hooked up with a guy she'd had the hots for since the semester started, and she and Keith had disappeared the minute Drew had said her good-nights. Right now, Holly was certainly buck-naked, ankles behind her ears, getting, as she liked to call it, 'righteously fucked.'

Drew paused, wondering what she was doing. She wasn't likely to run into anyone–everybody else was getting laid. No one had stayed in their rooms. Either the girls had gone off with a guy, or vice versa. Holly wasn't in the room next to Drew's, and Drew knew it. It was quiet as a tomb in there. According to Holly, when she was getting off she didn't try hard to keep it a secret. What did she

care if other college girls knew she was getting some dick? In fact, Drew was pretty sure that Holly wanted everyone to know.

More creaking, even though Drew had stopped walking. At the end of the hall, it sounded like somebody was moaning. Ghosts? Or had one of the couples really gone all the way down there just to get it on? It didn't make sense. There were plenty of rooms, and no one on the trip had come up here to study.

Somewhere behind her, a door banged shut. Drew stifled a scream, biting down on her knuckles. She whirled, but the hallway was empty, just as it had been when she'd left her room.

Go back, she told herself. Go back to your room, go to sleep and pray for the weekend to be over.

She couldn't do it, though. That moaning. She had to know what it was.

Her candle flickered. She moved slowly toward the sound. Then, suddenly, it was right there, coming through the door to room 14. She jumped back, unable to tell if it was one of the girls or not. If it was, she was getting it—but good.

The moan died away. All went still. Drew moved her ear closer to the door.

"Naughty naughty."

The voice was so close she could feel warmth on her neck. She gasped and spun around, only to find Justin grinning down at her.

"Looking for something?" he asked, the mischievous grin growing wider.

Drew was flummoxed. She didn't know what to say, or where to look. She lowered her eyes, and noticed what he was wearing. Or rather, wasn't wearing. No shirt. Just a clingy pair of boxer-briefs. So clingy, that she could clearly see the outline of his semi-erect cock. It was nice and fat. She quickly glanced away...but wished she didn't have to.

"I, I heard noises," she said, but it sounded hollow now, in the almost perfect quiet of the hallway.

"In there?" Justin asked, raising his eyebrows.

"I guess," Drew said, feeling trapped. Why hadn't she stayed in her bed?

Justin reached past her, grabbing the doorknob.

"No, wait, there's somebody in—" she protested. But too late. He opened the door.

The room was empty. No one inside having sex. No girl down on all fours, taking it from behind. No guy crouched between his hook-up's thighs,

swabbing out her pussy with his tongue. No couple caught in the act.

No one who'd been moaning just moments ago. Drew's legs suddenly felt rubbery.

"C'mon," Justin said, leading a shaky Drew into his room. "Take a load off."

She was surprised to find no one sharing the room with him. Hadn't Debbie been hanging all over him earlier? If he

was alone, did that mean one of the guys was getting double-teamed right now? That would've explained all kinds of moaning. But...Drew was certain she'd heard the sounds coming from room 14. A room she now knew to be vacant.

Justin was standing right next to her when a door slammed in the hallway. Drew jumped, pressing against him.

Against all of him. And, he wasn't semi-erect any more. His hard-on was bigger than she expected.

"I-I thought there wasn't anybody—" she began, cut off when Justin's mouth closed on hers, his tongue sliding in between her lips, his hand finding her hip, then her thigh, and finally, her ass.

She jumped again, but this time it had nothing to do with being frightened. While Justin swapped spit with her, he took the candle from her hand and put it down on the nightstand. His fingers found her ass crack through her jammy bottoms and dug in, firmly grasping one cheek.

Drew swiveled around to face him, her tingly vee seeking out his ris-

against his junk, feel-

ing him throb against her

stroked Justin's prick, teasing it even harder. She put her mouth to his nut sac, jacking him while she did so. Justin's hands found their way to the back of her head. She lapped at his balls, then opened wide and inhaled them. Drew felt them grow tighter in her mouth.

"Jesus, kid, that's fuckin' sweet!"

Drew didn't remember Holly mentioning having teabagged a guy before. Sure, she'd licked guys' balls, but not like this. Drew felt proud of herself. She was going to have plenty to tell Holly when they were alone together tomorrow!

Drew wrapped her hands around Justin's bone, fingers interlocked, a technique she'd read about in some magazine. Pre-cum was dribbling down his shaft, providing natural lube for the two-fisted stroke-job. She shook her head from side to side, mouth crammed with balls, drool running over her chin before she finally released them to concentrate on the prize.

She pulled down on his cock so that his dickhole spread wide, a drop of semen beading in the tip. He watched as she tongued it away, then coaxed out a second. And a third.

"Oh, Drew, that's it. Suck it, babe."

Drew tilted her head, pretending to think about it. Another drop of baby batter formed, this one bigger than the previous three combined. Drew dragged his tip across her lips until they were streaked with jizz.

"Ohhhh-kay," she gave in, engulfing his cockhead

and hoovering the away sperm. Justin repeatedly tickled her gag reflex. Drew had to keep taking him out so she could catch her breath. She

would've been breathing hard anyway, throat-reaming or no throat-reaming. Her heart was jackhammering in her chest. She could tell Justin was into it, that she was rockin' her first hummer big time. She was anxious to see if he was going to blow his load in her mouth, or if maybe he was into pulling out, and would instead shoot on her face. It didn't much matter to her. If he jizzed in her mouth, she'd swallow, she knew that. Holly wasn't a spitter, and she didn't want to be one, either. She'd already tasted what Justin's balls were filled with, and it wasn't bad at all. In fact, she liked it.

If he wanted to give her a facial? That wouldn't bother her, either. She'd been on sex sites before, she'd seen guys absolutely drench girls in cum. Drew wouldn't mind. She'd be responsible for Justin busting his nut, after all, and it was going to happen any minute now. She could tell. Holly had shared enough blow job tales for her to have a feel for what was going on down below. She thought it would be a turn-on if she let him

pink, moist pussy lips.

"You look awfully young for a sorority girl," he said, coming up for air. He didn't seem disappointed, though. And he was still smiling. Drew put her hand on his dick, giving it a squeeze.

"You're right," she confessed. "I'm too young for this sorority. But...not for this."

She pulled down his shorts, freeing his enormous cock. It slapped against her tummy. Justin fought to rip off her nightshirt.

Arms over her head, Drew sank to her knees like she'd been poured out of her top. Justin's pole was right in her face now, and looked twice as big as it had behind the fabric. She'd heard enough of Holly's stories. She knew what to do.

Well, in principle, at least...

Inexperience didn't slow her down one bit. She

Eating Ava's pussy is a real treat.

When you're in the mood for a snack, her sweet, peachy, little twat trumps anything else. Save the chips and cookies for the movies. In bed Ava will supply you with endless amounts of delicious girl-cream between her legs.

And if you're into it, her tight, unexplored starfish is pretty tasty, too.

"I'm a little shy about having my butthole licked," Ava admitted to us. "It's just so weird having a guy's face in your ass. It's a private area. But it feels so good when they lick it! I just need to get over my embarrassment and flat out ask for it instead of waiting for the guy to go there." Check out her asshole in the photo below. Looks pretty tasty to us!

Give her a lickin' before you give her a dickin'!

In the Holiday '12 issue Ava hadn't had sex yet. That didn't last very long! Very soon after that shoot she popped her cherry, and then starred in the DVD Cotton Tail 2 (order it on page 9.) She's only been having sex for a short while, but Ava knows what she likes: "To be eaten out! I mean, I knew that before I had sex. But if a guy eats me out really well first, the sex is way better. There's nothing quite like cumming on someone's tongue!"

What Jessi was really suffering from was a case of cock fever!

When you have a girl who is as horny as Jessi, you have to fuck her frequently or else bad things happen. "If I don't get laid I get so bitchy!" Jessi said. "Having sex is the best stress relief for me. It's like my medicine. I'll be in such a bad mood, but if a guy makes me cum with his cock then I have a smile from ear to ear." After tackling this monster dong, Jessi was on cloud nine!

know where it was okay to blow.

"How do you want to cu—" she began. But didn't finish. Right then, Justin erupted, a fountain of fucksauce splattering her face.

She thought quick. She didn't know if Holly had ever gotten caught with a faceful of nut butter in between slurps, but she guided Justin's spasming penis back to her lips. She opened wide, just in time to catch his second squirt. Warm and gooey, it spread across her tongue and ran down her throat. She closed her mouth over his tip, looking up at him as she guzzled his spooge.

"Yeah, Drew, just like that. Ungh. Swallow for me baby. Yeah...drink my cum."

She did. What wasn't already dripping off her face, that was. Justin gushed, filling her mouth twice more before the flow slowed down. When he'd run dry, she used her nightshirt to wipe her face, waiting to see what Justin would do next. Was he done with her? Did he just want to get sucked off? Was he going to tell her she could go back to her room now? She hoped she didn't look as desperate as she felt.

"On the bed, sexy," he said, winking at her. "We ain't done yet. Not by a long shot."

It was just what Drew wanted to hear. She hopped onto his bed, trying to think of a position to lay in that would turn him on. Should she sit up? Lay on her side? She didn't know.

"You going to take off those panties, or would you rather I try and eat your pussy through them?" Justin asked, still wearing that devilish

smile. Drew was liking it more each time he favored her with it. She scrambled out of her bloomers.

Justin threw back the remainder of a half-full bottle of Louisiana Lemonade and rolled onto the bed, shoulders between her slender thighs. He took his time, running his index finger up and down her slit. It came away soaked.

"You're a little horny, aren't you?" he asked. Hmph. Teasing. As if he didn't know. Drew nodded anyway, though. Justin responded by sticking his finger in his mouth.

"Nice chaser," he commented, before burying his face in her muff, making her cum so fast that she didn't know what hit her.

If Justin was surprised by triggering the three-second orgasm, he didn't show it. Instead, he went down on her with a vengeance, as if making her climax was a competition. It took maybe three minutes for her second orgasm, and another five for her third. By then, she was beating her fists into the mattress, howling like a banshee. She wondered if one of the other girls might come down the hall like she had, looking for the source of the frenzied noise. She certainly wasn't holding back at all.

The fourth one was the last one she could stand. Her back was arched. Her nips were swollen, pointing up at the ceiling. Justin kept at it, tonguing her into a frenzy. He'd explored her labia with a fingertip while making her cum the second time, and she felt sure he was going to fingerbang her, but he hadn't. It didn't take long to figure out why.

She hadn't yet recovered when Justin rolled over, hoisting himself up on his hands and staring down at her, hot and bothered and looking for a place to stick his hard cock.

"You look like you need to cum again," she observed, stroking his hardness with her fingertips.

"You think?" he asked. She nodded, holding the head of his dick between her thumb and forefinger.

"Do you want me to suck your cock off again?"

He shook his head no.

"You want me to jack you off, then?" She continued playing with his erection. Again, he shook his head.

"Do you want to, maybe...stick it in my pussy?"

"Now you're talking," he agreed. She felt his hard-on twitch.

"You want to fuck me with it, don't you?" she went on, getting ready. She was totally wet from the extended session of cunnilingus and multiple cums, but she was still working up to letting him pop her cherry.

"I want to be inside you," he told her, planting a kiss on her lips that tasted like she did. Down there.

Drew spread her legs. She pulled open her pussy for him.

"Good," she said. "Because that's what I came here for...to get laid."

Justin thrust deep, his cock stabbing into her like a spear tipped with a torch. Hot pain flooded her vault, making her gasp. He tore through her cherry, then withdrew. He filled her pink cavern again, shredding the remnants of her virginity.

The heat shot through her, the ache stretching all the way from her ass to the base of her neck. Justin continued to hammer into her twat, fucking away the pain, leaving her instead with the welcome feeling of a tunnel full of cockmeat.

Drew brought her legs up, wrapping them around Justin's hips, locking her ankles behind his back. This was one of Holly's favorite positions. It didn't take Drew long to see why. Justin lifted her ass off the bed with every upstroke, then slammed her back into the sheets with every downstroke. His full weight made his fat cock penetrate her even deeper, her outer folds sucked into her cleft by the sheer girth of his prick.

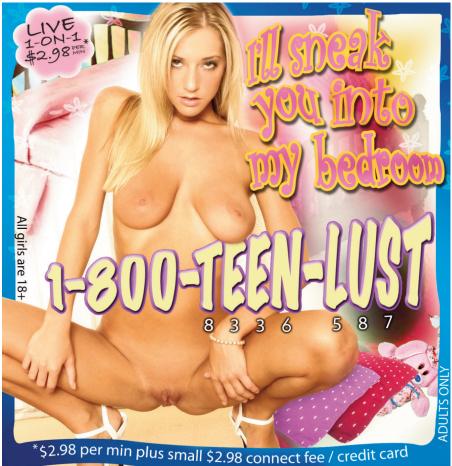

"Do me, Justin," she breathed, digging her nails into his shoulders. Her face was tight, eyes shut as she bit her bottom lip, consumed by his relentless pounding.

In the room next door, the moaning began anew.

Drew's eyes shot open. Her mouth gaped. There was no doubt about it, the sound was so clear it felt like it was coming right through the wall beside the bed.

"J-Justin," Drew wheezed, struggling to get the words out. "Do you hear that?"

"It's nothing," he assured her, shifting his hands down so he could grab her ass. He groped her bottom, pinning her beneath him.

The moaning continued. Drew tried to ignore it. She concentrated instead on Justin, on his smooth chest flattening her pert nips. His big cock, churning her insides to mush. The way his fingertips occasionally brushed along the rim of her puckered asshole.

"J-Justin-?" she croaked.

"Don't worry about that," he said. "It's nothing."

"No," she said, pressing her teeth into his earlobe. "I'm...I'm gonna...cum."

He felt it, her cunt muscles tightening around his boner like a fleshy tourniquet. Drew was the tightest girl he'd ever screwed, and when she got off, with him buried to the short hairs in her, it made his balls hard.

She shuddered beneath him, her pussy convulsing. His ear got sore, but he didn't pay much attention to it. For such a small girl, she was rattling the bed like there was an earthquake shaking the motel to its foundation.

He gave a listen. The moans coming from the room next door were getting louder and louder.

He picked up his pace, eager now to catch up to his bedmate. He wasn't too far behind, and timed it just right. When Drew's fuckhole started locking down, he short-stroked her, once, twice, and then pulled out, hand around his shaft, firing a milky wad of ball butter across Drew's bare belly.

She was surprised he had any left, after the load she'd swallowed earlier. It fascinated her, the thick strands of semen striping her midriff. The last of it trickled onto Justin's index finger. He offered it to her. She sucked it down greedily.

Drew slipped out of bed, using her already gummy nightshirt to clean up Justin's impressive second load.

That's when the door to his room swung open.

Debbie stepped in, staring approv-

ingly at Drew's naked form. She was wearing nothing but panties and a cut-off t-shirt that her huge boobs stretched so far Drew could see the bottom of them peeking out. If Debbie took a deep breath, Drew was sure the shirt would ride up to expose her nipples, which were obviously hard beneath the thin cotton.

Deb and her curvy body looked absolutely fucking delicious.

"Bout time you got in here," Justin said from the bed. "I thought you were gonna stay over there all night."

Drew looked to him, then back at Debbie. The older girl with the nice rack and great ass flashed her a wicked grin.

"I got caught up, y'know, watching you two go at it. What can I say?"

"W-watching?" exclaimed Drew.

Debbie nodded. She pointed out a peephole drilled through the wall. Drew touched it, shocked. But not upset. Just the opposite.

Debbie stood behind her, so close that Drew could feel her body heat. Her thighs pressed into Drew's ass. Debbie began to kiss her neck. The back of her ear. Her tongue circled one of Drew's piercings. Drew felt her pussy start to tingle.

"I hope you two aren't too tired for some more fun, because I wanna play," Debbie said, stripping out of her cutoff. Drew turned away from the peephole. Debbie took her hands and placed them on her chest.

Drew had never felt another girl's breasts before. She'd seen Holly's, but never touched them. Debbie's tits filled her hands. They felt awesome.

"You like?" Debbie asked. She rubbed her nips against Drew's, which were bulging like gumdrops at the thought of what was to come. She pinched one of Debbie's dark buds, then went all-in, taking it into her mouth and suckling it. Debbie pulled her back to the bed, finding her well-oiled slot with her middle and index fingers. Justin joined in, latching onto Debbie's other boob. Overhead, the attic floorboards creaked. All three of them glanced up.

"Fuck it," Justin said, starting to work Debbie's panties off. Drew saw the sorority sister's smooth, shaved pussy glistening in the candlelight.

She beat Justin to that twat by a wide margin. That's when the moaning really started.

Fawna is a teen pin-up with retro allure.

"I love to dress up in styles from the 40s, 50s and 60s. And I especially love vintage lingerie." And as you may remember from the Aug. '12 issue, Fawna has a nice bush to go along with her retro sensibilities, but none of the modesty of the past! In fact, she recently lost her virginity and was all too eager to tell us about it. "Finally having sex was amazing. It felt better than I imagined. Now I'm up to having three orgasms every time I shag! I'm having fun learning about all the different things I can try."

Linda likes to flash her full tits for fun!

Most 18eighteen readers love innocent girls. But you have to admit, there's something tantalizing about teen babes with a wild streak. Linda falls into the latter category. She just wants to have fun, and she's not afraid to show off her body. "Sometimes my friend will pick me up and while we're driving on the highway I'll flash my tits to guys. It's fun, and they love it as much as I do!" Who wouldn't love to see hooters on the highway? It would make traffic much more bearable!

Kandice on Her Own

Dear Virgin Territory,

The Dec. '12 issue was packed with hotties, but Kandice is the one who really did it for me. She has a lovely face and amazing curves. Her tits are so nice and pointy and I love that trim, flat stomach. I only wish her pictorial was longer so I could admire her beauty even more. Most guys probably won't agree with me, but I hope Kandice decides not to do hardcore. I prefer to think of her as a masturbating teen alone in her bathroom, rather than some girl getting fucked on camera. Keep the cocks out of her pussy and I'll be a very happy camper!-Y.J., via email

Pussy Surprise

Dear Virgin Territory,

I really enjoyed Emily and her schoolgirl skirt in the Dec. '12 issue. I have to admit, though, that I was surprised by her pussy. You see, when I'm looking at a girl in your magazine, I like to try to guess what her pussy looks like before I see it (I also play this game with all the women and cameltoes I see around town.) I'm usually pretty good at guessing what kind of pussy a girl has-whether she has a protruding clit and meaty curtains, or a teeny-tiny slit. Based on her build, I took Emily for the latter kind. But I was surprised to see that her

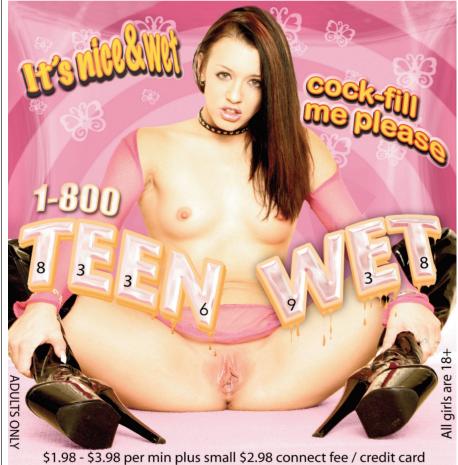

what large and dangly! Not the largest for sure, but larger than I expected. And just to clarify, this was a pleasant surprise. I'd love to nibble on her labia and dive into her folds nose-first! And what a long slit she has, too! It must be a good three to four inches long-all the better for me to lick and lap! She is a fine specimen. Thank you for the excellent photos of the loveliness that is between her legs.-W.I., Fort Lauderdale, Florida

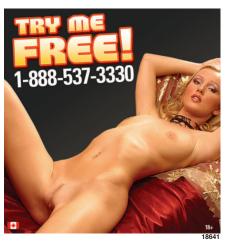

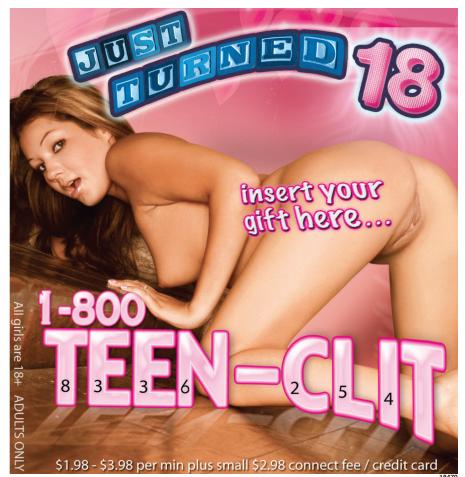

Dear W.I.,

We play that game too. Fortunately we don't have to guess too hard around these parts, if you know what we mean. Everything is revealed in the end!

Crystal's Cunny

Dear Virgin Territory,

Crystal was my favorite hottie in the Dec. '12 issue. Although Rilee, Mae and Elle are also favorites of mine, nothing beats fresh meat. I love it whenever I find a new girl in your magazine who turns me on. And Crystal was the apple of my eye for this issue. I fell more and more in love with this Brit beauty with every turn of the page. Her long, dark hair combined with pale skin is such an elegant look. I also liked her bra with no underwire and her "boyshort" panties. Too bad she didn't do a panty signing; I would've loved to enter to win a chance to sniff those bloomers.

Crystal's body deserves worship. She has the perfect 18eighteen figure: trim and slender with perky, little breasts. I was so turned on by her dark labia and the bright pink insides she revealed when spreading her lips. In the photo on page 76 I could just imagine her squatting over my cock like that! Thank you for including a full-length standing photo of Crystal. From what I can tell from reading the letters section, that is a popular pose

around here, and I

why! I hope to see more of her in the near future. Thanks for a great magazine with so many great girls.—G.N., Boston, Massachusetts

Dear G.N.,

Crystal is quite lovely! There's something about those British girls, right?

A-Mae-zing Creampie

Dear Virgin Territory,

The hardcore pictorial of Mae in the Dec. '12 issue is, hands down, the hottest thing you have ever printed. When I saw her picture in the contents section with a cock in her mouth I literally said, "Oh shit!" I knew it was going to be a hot one. I got stupid excited about it, and even put off looking at the pictorial until I knew I was going to have a good hour by myself to really enjoy it. And oh man, I was not disappointed!

First of all, Mae is so adorable. She is one of my favorite models and I was very much anticipating her hard-core pictorial. Second, great job on pairing her with such a huge cock. The photo of her with that huge dong in her mouth on page 45 is A+. I love

seeing tiny girls with huge cocks. And third, a fucking creampie! I felt like it was Christmas! And that wasn't just any creampie. Those were the best creampie photos I've ever seen. I loved seeing the progression shots of Mae squeezing the load out of her pussy and it dripping down into her crack. Wow! Also, great decision to put this layout as the centerfold. You guys rarely do that, so it's a real treat. And you couldn't have chosen a better photo for the centerfold shot. Mae

looks incredible with that cock wedged into her pussy. I will cherish these photos forever.

Thank you so much, 18eighteen. You make all my horny teen fantasies come true and more.—T.L., Charlotte, North Carolina

Dear T.L.,
